**IRIS SPA SUITE**

In Greek mythology, Iris is the personification of the rainbow and messenger of the gods. She is also known as one of the goddesses of the sea and the sky. Iris links the gods to humanity. She travels with the speed of wind from one end of the world to the other and into the depths of the sea and the underworld.

Synonymous with subtle sophistication, Iris Spa Suite is the perfect fane for complete relaxation. This modern earthly-luxury-style retreat features a stunning-and-seductive indoor heated pool surrounded by a stone archway, twin massage beds, a steam room, a rain shower cabin and a lobby arranged with your comfort in mind.

**THALIA SPA SUITE**

Thalia (“the Joyous, the Flourishing”, from “to flourish, to be green”) is a nymph from the fifty Nereides - goddesses of the sea. She is also known as an anthropomorphic secondary deity of plant life and shoots, possibly as the culmination of the transmission of knowledge on volcanic ash’s use as a fertilizer, characteristic of ancient viticulture in volcanic soils such as those of the island of Santorini.

Amid a true sense of place, Thalia Spa Suite is relaxation at its finest. Brimming with indulgent style, the open space retreat features twin massage beds, a steam room and shower and is neighbored by a cozy lobby arranged with your comfort in mind.

KALLISTE SPA SUITE
Available June - September

Kalliste ("most beautiful") was the Haliad nymph of the island of Kalliste (now Santorini) in the Aegean Sea. Her father, the sea-god Triton, presented her to the Argonaut Euphemos as a clod of earth. When the clod was washed overboard during the voyage it formed into the island of Santorini, a personification of Santorini island may be recognized as an epithet of the goddess herself.

Kalliste Spa Suite experience can find a relaxing oasis to unwind and reconnect. The combination of the famed Santorini sunset seen from the top Oia’s Caldera cliffs with a customized soothing massage is a blissful journey unlike any other.
