The A.SPA Suites

Phoebe Spa Suite

In Greek mythology, a Titan, daughter of Uranus (Sky) and Gaea (Earth). By the Titan Coeus she was the mother of Leto and grandmother of Apollo and Artemis. Her epithet was Gold-Crowned, but her name, like Apollo's forename Phoebus, signified brightness. She is said to have given Apollo the rite of his oracle in Delphi. In later mythology she was identified with the moon.

Phoebe Spa Suite is the perfect fane for utmost relaxation. This modern earthly-luxury-style retreat features twin massage beds, steam room and a shower, neighbored by a cozy lobby arranged with your comfort in mind.

Artemis Spa Suite

The goddess of wild animals, the hunt, and vegetation, and of chastity and childbirth; she was identified by the Romans with Diana. Artemis was the daughter of Zeus and Leto and the twin sister of Apollo. Among the rural populace, Artemis was the favorite goddess. Her character and function varied greatly from place to place, but, apparently, behind all forms lay the goddess of wild nature, who danced, usually accompanied by nymphs, in mountains, forests, and marshes.

Amid a true sense of place, Artemis Spa Suite is relaxation at its finest. Loaded with indulgent style, the open space retreat features twin massage beds, steam room and shower, neighbored by a cozy lobby arranged with your comfort in mind.

Leto Spa Suite

A Titan, the daughter of Coeus and Phoebe, and mother of the god Apollo and the goddess Artemis. The chief places of her legend were Delos and Delphi. Leto, pregnant by Zeus, sought a place of refuge to be delivered. She finally reached the barren isle of Delos, which, according to some, was a wandering rock borne about by the waves until it was fixed to the bottom of the sea for the birth of Apollo and Artemis. The wanderings of Leto were ascribed to the jealousy of Zeus's wife, Hera, who was enraged at Leto's bearing Zeus's children.

Leto Spa Suite is an homage paid to the perfect and pure beauty of Leto goddess. Couples seeking for an exclusive romantic spa experience can find a relaxing oasis to unwind and reconnect to each other. The suite features twin massage beds, steam room and shower, neighbored by a cozy lobby arranged with your comfort in mind.
