## Sun Rocks

*Santorini, Greece*

**Best for... spellbinding sunsets** This 18-room adults-only hotel, built into the cliffs in Santorini's buzzy capital, Fira, is a welcome relief from the hustle and bustle of the island. The all-white rooms have ridiculously Instagrammable sea views. Lounge by the swimming pool, on one of the perfectly positioned daybeds - or soak it all up in the privacy of your jacuzzi. *From £217 b&b; [katikies.com/sunrockssantorini](http://katikies.com/sunrockssantorini)*
